

JOHN JAY COLLEGE, CITY UNIVERSITY OF NEW YORK

The NSA Anthology Project and its editor, Eugene Schwartz, have gifted us a remarkable resource that fully documents the ever-important and hopeful issue of student activism in America at a most critical time. As we contemplate the future of justice and democracy, freedom and peace, education and leadership in these perilous times, this splendid history of NSA is vivid, galvanizing, urgent. Every college and public library, every class concerned with public matters requires this book

Blanche Wiesen Cook/ University Distinguished Professor,

John Jay College & The Graduate Center, CUNY.

Author, The Declassified Eisenhower; Eleanor Roosevelt, vols. I & II; vol. III forthcoming
